Words by Keiichiro Kodama  
& San Motegi

This year's Christmas song is about a girl who attends mass at the town church and asks Santa Claus to make her dreams come true. It's an up tempo song with an impressive guitar intro.

今年のクリスマスソングの主人公は少女。町の教会で行われるミサに参列してサンタクロースに夢の実現をお願いする。イントロのギターが印象的なアップテンポの曲。

Take me out on the Christmas Eve  
To the place I love to go  
Trees are lit and covered with snow  
Something good will happen to me

Santa Claus would bring the gift  
If I pray for Holy Night  
I have been waiting for one year long  
I rushed to the church in town

Sound of the bell and crowd of people are  
coming close to me  
The holy mass has just begun  
Bless us who gathered here,  
Bringing peace to the world  
I prayed for people who live in despair

Lying on my bed,  
Listening for you to come  
How can I bring peace to the world  
Give me the hint tonight

Santa Claus, let me know  
what you have seen in your trips  
You have met people in need everywhere  
From east bay to the west coast,  
north peak to the south lake  
If people lived in peace or not,  
Children were in smile

Santa Claus, so your gift tonight  
is the ride on your sleigh  
Heart is full of excitement  
when thinking the places to go  
I wish I could make friends there  
who would teach me joy and grief  
Happiness and sadness  
to pray and fight through life
