Spanish Wind

Words & Music by San Motegi
Performed by HUSHBYRD

The song is about his girlfriend suddenly disappearing from their apartment in NY. He finds her strange words on the wall of the room, which suggest that she might have gone to Spain. He then came to Spain in pursuit of the girl...

ニューヨークで同棲していたガールフレンドが不思議な言葉を残してスペインへ去った。男は彼女を追ってスペインへ行くのだが…。

Windy hill in the sand
Looking for the girl of mine
She has gone without a trace
On a cold summer day

Long live the King on the plain in east Spain
With a dark colored eye gipsy queen
She went away with these words on the wall
In a small cozy room in New York

Sky is high, wind is strong on the Spanish hill
Wondering forever with the lonely heart of mine

Windy hill in the sand
Looking for the girl of mine
She has gone without a trace
On a cold summer day

Life is a pain, so I leave for east Spain
Where my hopes lie in vain, grimly queen

She went away with these words on the wall
In a small cozy room in New York

Sky is high, wind is strong on the Spanish hill
Wondering forever with the lonely heart of mine
