## Without You

Words by San Motegi

Music by Keiichiro Kodama

Performed by HUSHBYRD

ICU時代に Kei が歌っていた（らしい）が本人は全く覚えていない。記憶の彼方に埋もれてしまっていたこの曲を 45 年以上経った先月に San が突然思い出した。夕暮れの紫色に染まり始めた遠い山の端を見ていると、人生を歩み始めたあの頃に出会った自分や友人への思いが蘇っては消えて行く。

The song is made during my college days. I had no memory of it, but San recalled the melody last month, after 40 some years later, rather miraculously. The lyrics are newly written, as they are long forgotten, except for the opening phrase “the night has come in a lonely way”. Watching mountain shades turn purple in the dusk, memories of friends, myself in those days nostalgically revive.

The night has come in a lonely way  
In my heart you are still with me  
The night is dark in a lonely way  
In my soul you are still part of me

The night is such lonely lonely lonely time, and  
I sit here feeling lonely lonely lonely  
Without you by my side  
Let me hold you in my dreams  
Again, tonight, my love

The eagle fly in a lonely way  
In my heart you are still with me  
The wind blows away in a lonely night  
In my soul you are still part of me

The night is such lonely lonely lonely time, and  
I sit here feeling lonely lonely lonely  
Without you by my side  
Let me hold you in my arms  
Again, tonight, my love

The dawn is near looking up the sky  
In my heart you are still with me  
Waiting for the morning light  
In my soul you are still part of me

The night is such lonely lonely lonely time, and  
I sit here feeling lonely lonely lonely  
Without you by my side  
Let me hold you in my dreams  
Again, tonight, my love  
Again, tonight, my love
