A young man who lost job in the city decided to make a trip to the mountain with his buddy horse Cid.

都会で仕事を失った若者が相棒の馬Cidと春の山へ旅に出る。カントリー調の曲に仕上がった。

Me and my horse named Cid are on the road
traveling through the mountain in Spring
The sun is so bright and the sky is in blue
The wind is whispering to the hills of green

Lost my job in the city
I had nowhere to turn
So sold everything I had except my Cid
and decided to leave for a while

Journey through the meadow of dogtooth violet
Talking to my Cid as we go along
Solitude makes the man strong I said
Flowers are nodding as if they agree

Time is on my side
One thing money can't buy
So sold everything I had except my Cid
and decide to roam for a while

Resting under the shade of a big oak tree
Talking to my Cid as wind cool us down
Freedom is the one thing I can not let go
Leaves are nodding as if they all agree

Me and my horse named Cid are on the road
traveling through the mountain in Spring
The moon is on the rise and the sky is in gray
The wind is whispering to the hills of green
